CABINETRY

Designed for the way you live.

What's your kitchen style?

Given how much time we spend in them – cooking, celebrating or just hanging out – today's kitchens must function for the way we live, but more importantly, they must feel personal.

So when it comes to defining your personal style, what says "home" to you? Do you lean more towards a modern aesthetic or does a traditional inspired setting soothe your soul? No matter where you are on the style spectrum – with Kitchen Craft – you're sure to find a look that's a reflection of you and your home.

Luxe Living

Today's kitchens balance a combination of colours, materials, and textures. This stunning kitchen celebrates the core principals of Scandinavian design with a clean-line, minimalistic setting that seeks to combine functionality with beauty. Even the island can be an unforgettable statement piece.

The increasingly popular spice kitchen or prep kitchen are the marvel of chefs and hosts alike, providing numerous solutions to improving the functionality of your kitchen.

As an ancillary space, immediately accessible from the main kitchen, a spice or prep kitchen provides another work zone where it's okay to get a little messy! These spaces are meant to be personalized and offer plenty of extra storage and pantry room, additional countertop space for appliances you may not want cluttering your main kitchen, and you can even include a wine cooler with the perfect spot to prepare drinks for guests.

01

Modern Farmhouse

In this kitchen, the pairing of the Keelie shaker door style with the Nordic paint finish creates a classic look that is fresh and bright. Blending the Winter stain finish in the island and range hood adds contrast and warmth to this beautiful country kitchen.

01 **A Little Bit Country.** The modern rustic feel is complemented with the stunning wood hood. Its presence grounds the room while exuding charm.

02 **Think Differently.** Incorporating slide-out trays into your base cabinet is a game changer! With just a gentle pull, you'll have complete visibility of items and easier accessibility.

02

Casual Comfort

From the soft taupe paint to the beach planked floor and white cabinets, this shaker kitchen is bathed in a warm, monochromatic colour palette. This was a purposeful design choice as the goal of this renovation was to create a space that is open and welcoming for big family get-togethers.

01 Light and Airy. In this kitchen, the homeowners desired a modern take on the farmhouse style. The pairing of the Salem door style with the Alabaster finish brought this gorgeous look together that is both fresh and timeless.

02 Kitchen Party. This little nook makes an excellent beverage centre. The tall wall cabinets feature glass doors that allow the homeowner to display their beautiful serving dishes and stemware.

style tip

Look at how this built-in banquette seating creates a cozy yet chic dining area that's as perfect for after-school homework as it is for a 6-person dinner party. And the best part? It's practical too.

Your Personal Oasis

Featured in Satin Starless painted finish, this striking vanity makes a bold statement while simultaneously creating a serene mood with its nature-inspired palette.

style tip

The complimentary gold accents add sparkle to set off this brilliant vanity.

Storage and function in the bathroom is equally important to the kitchen. In this pullout drawer, items are fully visible, saving you time during your morning routine. Slide-out shelves under the vanity keep items you use every day easily accessible.

PAINTS WITH GLAZES ①

HAND BRUSHED FINISHES

When a painted finish is specified, the center panel may be constructed of Medium Density Fiberboard (MDF). MDF provides a smoother finish when painted, and is more resistant to warping, expansion, and contraction.
